(a) Before the hearing has commenced, the Board shall issue subpoenas at the request of any party for attendance of witnesses or production of documents at the hearing. Compliance with the provisions of Section 1985 of the Code of Civil Procedure shall be a condition precedent to the issuance of a subpoena for production of documents. After the hearing has commenced the Board may issue subpoenas.

(b) Any subpoenas issued pursuant to subdivision (a) shall be extended to all parts of the State and shall be served in accordance with the provisions of sections 1987 and 1988 of the Code of Civil Procedure.

The Board shall seek enforcement on recommendation of the General Counsel unless in the judgment of the Board the enforcement of such subpoena or notice would be inconsistent with law or the policies of the applicable Act. If the request is granted, the record will remain open in the matter until the

Board determines that the court order will not be forthcoming, or that further delay would frustrate the policies of the applicable Act, or until the testimony sought is included in the record.

32155. Disqualification of Board Agent or Board Members.

(a) No Board member, and no Board agent performing an adjudicatory function, and no mediator or conciliator employed within the State Mediation and Conciliation Service, shall decide or otherwise participate in any case or proceeding:

- (1) In which he or she has a financial interest in the outcome.
- (2) When he or she is related to any party or to an agent or officer of any party, or to an attorney or counsel of any party by consanguinity or affinity within the third degree computed according to the rules of law, or when he or she is indebted, through money borrowed as a loan, to any party or to an attorney or counsel of any party.
- (3) When, in the case or proceeding, he or she has been attorney or counsel for any party; or when he or she has given advice to any party upon any matter involved in the proceeding before the Board; or when he or she has been retained or employed as attorney or counsel for any party within one year prior to the commencement of the case at the Board level.
- (4) When it is made to appear probable that, by reason of prejudice of such Board member or Board agent, a fair and impartial consideration of the case cannot be had before him or her.

(b) Whenever such a Board agent shall have knowledge of any facts, which under the provisions of this rule disqualify him or her from presiding over any aspect of a hearing or investigation, it shall be his or her duty immediately to notify the General Counsel or the Chief Administrative Law Judge, as appropriate, setting forth all reasons for his or her belief.

(c) Any party may request the Board agent to disqualify himself or herself whenever it appears that it is probable that a fair and impartial hearing or investigation cannot be held by the Board agent to whom the matter is assigned. Such request shall be written, or if oral, reduced to writing within 24 hours of the request. The request shall be under oath and shall specifically set forth all facts supporting it. The request must be made prior to the taking of any evidence in an evidentiary hearing or the actual commencement of any other proceeding.

If such Board agent admits his or her disqualification, such admission shall be immediately communicated to the General Counsel or the Chief Administrative Law Judge, as appropriate, who shall designate another Board agent to hear the matter.

Notwithstanding his or her disqualification, a Board agent who is disqualified may request another Board agent who has been agreed upon by all parties to conduct the hearing or investigation.

(d) If the Board agent does not disqualify himself or herself and withdraw from the proceeding, he or she shall so rule on the record, state the grounds for the ruling, and proceed with the hearing or investigation and the issuance of the decision. The party requesting the disqualification may, within ten days, file with the Board itself a request for special permission to appeal the ruling of the Board agent. If permission is not granted, the party requesting disqualification may file an appeal, after hearing or investigation and issuance of the decision, setting forth the grounds of the alleged disqualification along with any other exceptions to the decision on its merits.

(e) Whenever a Board member shall have knowledge of any facts which, under the provisions of this rule, disqualify him or her to consider any case before the Board, it shall be his or her duty to declare the disqualification to the Board immediately upon learning of such facts. This declaration shall be made part of the official record of the Board. The Board member shall then refrain from participating and shall attempt in no way to influence any other person with respect to the matter.

(f) Any party to a case before the Board may file directly with the Board member a motion for his or her recusal from the case when exceptions are filed with the Board or within ten days of discovering a disqualifying interest provided that such facts were not available at the time exceptions were filed. The motion shall be supported by sworn affidavits stating the facts constituting the ground for disqualification of the Board member. Copies of the motion and supporting affidavits shall be served on all parties to the case.

(g) Within ten days after the filing of a motion for recusal, the Board member alleged to be disqualified shall render a decision stating the reasons therefore. If the Board member is not on the panel assigned to hear the case, he or she shall so inform the parties and indicate that he or she does not intend to participate in the case. In the event that the Board member decides to participate, he or she shall render a decision on the motion for recusal before doing so.

(h) Any party aggrieved by a determination made pursuant to subsections (d) or (g) of this rule may include the matter of claimed disqualification in a writ of extraordinary relief filed pursuant to Government Code Section 3509.5, 3520, 3542, 3564, 71639.4, 71825.1 or 110017 or Public Utilities Code section 99562 seeking judicial review of the Board's decision on the merits.

Article 1. General Provisions

32700. Proof of Support.

(a)(1) Proof of employee support for representation petitions, including decertification petitions, petitions for certification, requests for recognition, severance requests or petitions, and unit modification petitions, shall clearly demonstrate that the employee desires to be represented by the petitioning employee organization for the purpose of meeting and negotiating or meeting and conferring on wages, hours and other terms and conditions of employment.

(2) Proof of employee support for a decertification petition filed pursuant to section 32770(b)(1) shall clearly demonstrate that the employee no longer desires to be represented by the exclusive representative.

(3) Proof of employee support for a rescission petition filed pursuant to section 34020(c), 40400(c), 51700, 71700 or 95300 shall clearly demonstrate that the employee desires a vote to rescind the existing organizational security arrangement.

(4) Proof of employee support for a reinstatement petition filed pursuant to section 34050, 51725 or 71725 shall clearly demonstrate that the employee desires to reinstate the organizational security provision.

(b) The proof of support shall indicate each employee's printed name, signature, job title or classification and the date on which each individual's signature was obtained. An undated signature or a signature dated more than one calendar year prior to the filing of the petition requiring employee support shall be invalid for the purpose of calculating proof of support. Any signature meeting the requirements of this section shall be considered valid even though the signatory has executed authorizations for more than one employee organization.

(c) Any proof of support validly obtained within one year immediately prior to the date the petition or amendment requiring employee support is filed shall remain valid and may be used as proof of support to qualify for appearance on the ballot in an election, provided the employee's job classification is included in the unit in which the election is to be conducted.

(d) For purposes of determining proof of support, a joint petitioner may meet the required percentage by combining the total of the proofs of support for each of the employee organizations which make up the joint petitioner.

(e) Subject to subsections (a), (b), (c) and (d) of this section, proof of support may consist of any one of the following original documents or a combination thereof:

(1) Current dues deduction authorization forms;

(2) Membership applications;

(3) Authorization cards or petitions signed by employees. The purpose of the petition shall be clearly stated on each page thereof;

(4) A notarized membership list, provided it is accompanied by the date of each member's signature on an enrollment form, membership application, or designation card or cards, supported by a declaration under penalty of perjury that the employee organization has on file the aforementioned documents which indicate the employee's desire to be represented by the employee organization. A sample of such signed forms shall accompany the list.

(5) Other evidence as determined by the Board.

(f) Documents submitted to the board as proof of employee support shall remain confidential and not be disclosed by the board to any party other than the petitioner, except to indicate whether the proof of support is sufficient.

(g) Any party which contends that proof of employee support was obtained by fraud or coercion, or that the signatures on such support documents are not genuine, shall file with the regional office evidence in the form of declarations under penalty of perjury supporting such contention within 20 days after the filing of the petition which the proof of support accompanied. The Board shall refuse to consider any evidence not timely submitted, absent a showing of good cause for late submission. When prima facie evidence is submitted to the Board supporting a claim that proof of support was tainted by such misconduct, the Board shall conduct further investigations. If, as a result of such investigation, the Board determines that the showing of support is inadequate because of such misconduct, the petition shall be dismissed.
