PERB Regulation 32142
Requests for Accommodation for Persons with Disabilities

(a) Definitions

(1) "Persons with disabilities" means individuals covered by California Civil Code Section 51 et seq.; the Americans with Disabilities Act of 1990 (42 U.S.C. § 12101 et seq.); or other applicable state and federal laws. This definition includes persons who have or have had a physical and/or mental condition, disorder, or health impairment that limits one or more major life activities, have a record of such impairment, or are regarded as having such an impairment.

(2) "Applicant" means any representative, party, witness, or other person with an interest in attending or participating in any proceeding before the Board.

(3) "Accommodation" means actions that result in services, programs, or activities being readily accessible to and usable by persons with disabilities. Accommodations may include making reasonable modifications in policies, practices, and procedures; furnishing, at no charge, to persons with disabilities, auxiliary aids and services, equipment devices, materials in alternative formats, readers, or certified interpreters for persons with hearing limitations; relocating services or programs to accessible facilities; or providing services at alternative sites or on alternative schedules. Although not required where other actions are effective in providing access to Board services, programs, or activities, alteration of existing facilities by the Board may be an accommodation.

(4) "Proceeding before the Board" means any investigatory or adjudicatory proceeding before the Board, including but not limited to an informal conference, prehearing conference, or formal hearing, or any proceeding conducted by the State Mediation and Conciliation Service or Office of the General Counsel.

(5) "Confidential information" under this Section means any medical or other health information obtained by the Board or voluntarily disclosed by the applicant, and all oral or written communications from the applicant concerning the request for accommodation.

(6) "Disability Coordinator" means the Board agent designated by the Board itself to help coordinate responses to accommodation requests. In the circumstance set forth in subsection (b)(2), the Disability Coordinator shall render a decision on such a request.

(b) Process for Requesting Accommodations

(1) It is the intent of the Board that any person with a disability in need of accommodation in any proceeding before the Board have their request for accommodation resolved directly by the Board agent to whom the matter is currently assigned, or by the Chair of the Board if the matter is before the Board itself.

(2) When a requested accommodation falls outside the scope of the assigned Board agent or Chair of the Board's authority ~~pursuant to sections 32170, 32325, 32620, 32630, 32640, 32720, 32739, 32980, 33010, 61155, 72190, 81155, or 91155 of these regulations or Government Code section 3601~~, the assigned Board agent or Chair of the Board shall submit the request to the Disability Coordinator. In evaluating a request for accommodation, the Disability Coordinator may consult with the assigned Board agent or Chair of the Board to determine whether the requested accommodation would fundamentally alter the nature of the service, program, or activity provided by the Board.

(3) A request for accommodation may be made orally or in writing. A written request must include: (a) the name of the case, (b) a description of the accommodation(s) sought, and (c) a statement of the limitation(s) necessitating the accommodation. A request to continue a formal hearing as an accommodation must comply with Section 32205. The assigned Board agent ~~to whom the request is submitted~~, Chair of the Board, or Disability Coordinator, in their discretion, may require the applicant to provide, with or without verification, additional information about the limitation(s) or the requested accommodation(s), including the severity of the limitation(s), and how the requested accommodation will enable the applicant to participate in the proceeding before the Board.

(4) In general, requests should be made with as much notice as possible. If the request is made less than 10 days before the date the accommodation is needed, the applicant must state any reasons the request was not made earlier. ~~.~~

(5) The Board will keep confidential all information of the applicant concerning the request for accommodation unless confidentiality is waived in writing by the applicant, disclosure is required by law, or, with notice to the applicant, when the Board agent determines the disclosure is necessary to ensure the fairness of the proceeding. The applicant's identity and confidential information will not be disclosed to the public or to persons other than those involved in the accommodation process. Board agents responsible for implementing any

accommodation shall be made aware of all accommodation(s) granted by the Board.

(6) Requests for accommodation under this Section must address only the accommodation requested by the applicant and must not address, in any manner, the subject matter or merits of the case proceedings before the Board.

(7) At any time during the process in which a request for accommodation is being considered, the Board agent to whom the case is assigned, the Disability Coordinator, or the reviewing officer in subsection (f) may place the scheduled proceeding in abeyance or grant a continuance. No continuance or abeyance shall be granted as an accommodation without affording all parties notice and an opportunity to be heard.

(c) Response to Request for Accommodation

The Board shall respond to a request for accommodation within ~~10~~ 20 days. The response shall be in writing, or in an alternative format as may be appropriate, and must include the following:

(1) That the request for accommodation is granted or denied, in whole or in part, and if the request for accommodation is denied, the reason(s) therefore; or that an alternative accommodation is granted; and

(2) The nature and duration of the accommodation to be provided, if any. The response shall include whether the accommodation is for an indefinite period of time, for a limited period of time, or for a particular matter or appearance.

(d) Duration of Accommodations

The accommodation provided for in the response to the request for accommodation must remain in effect for the period specified unless any of the following:

(1) The applicant requests that the accommodation be terminated;

(2) The applicant requests and the Board approves a modification to the accommodation;

(3) The Board agent determines that, in practice, the circumstances described in subsections (e)(1), (e)(2), (e)(3), or (e)(4) exist;

(4) The service, program, or activity being accommodated has concluded.

(e) Denial of Accommodation Request

A request for accommodation may be denied in whole or in part only when the Board determines that:

(1) The applicant has failed to satisfy the requirements of subsection (b);

(2) The requested accommodation would create an undue financial or administrative burden on the Board;

(3) The requested accommodation would fundamentally alter the nature of the service, program, or activity provided by the Board; or

(4) The requested accommodation is inconsistent with disability accommodation law as set forth in governing statute, regulation or Board or appellate court decisional law.

(f) Review Procedure

(1) An applicant whose accommodation request has been denied in whole or in part may seek review of the response within ~~10~~ 20 days of the date of the response by submitting a written request for review, including (a) the name of the case, (b) a description of the accommodation(s) sought, and (c) the reason(s) the response to the request for accommodation requires review.

(A) If the accommodation request was denied in whole or in part pursuant to subsection (e) by a Board agent, the applicant must submit a request for review to the head of the division wherein the determination was made, i.e., the General Counsel, the Chief Administrative Law Judge, or the Director of the State Mediation and Conciliation Service, as appropriate. The response to the request for review will constitute the final response of the Board.

(B) If the accommodation request was denied in whole or in part pursuant to subsection (e) by any of the division heads listed in subsection (f)(1)(A), the Chair of the Board, or the Disability Coordinator, the applicant must submit a request for review to the Board itself. The Chair of the Board shall not

participate in the review of an accommodation decision rendered by the Chair.

(2) A final response to the request for review shall occur within 20 days of the applicant's request. The Board agent assigned to the applicant's proceeding shall be notified of the final response.

32150. Subpoenas.

(a) Definitions

(1) “Testimonial subpoena” means a subpoena that solely requires a witness to appear at a Board hearing.

(2) “Records subpoena” means a subpoena that requires production of documents, electronically stored information, video records, audio records, or other records or things, either at a Board hearing or at a time and location in advance of such a hearing. A records subpoena may also require a witness to appear at a Board hearing to testify.

(3) “Declaration of materiality” means a declaration signed under penalty of perjury, submitted by the requesting party or that party’s representative, which:

(A) Describes the requested items; and

(B) Explains why the requested items are relevant to the issues involved in the case.

(4) “Consumer or employee notice” means a notice provided to a non-party consumer or employee as set forth in Code of Civil Procedure sections 1985.3 and 1985.6.

(b) Geographic Coverage of Subpoenas: Testimonial and records subpoenas issued shall extend to all parts of the State of California.

(c) Requests to Shorten or Lengthen Timelines: A Board agent has discretion to alter the timelines under subsections (d), (e), (f), (g) and (i).

(d) Procedures for Obtaining Subpoenas: After the Board notifies the parties that an evidentiary hearing has been scheduled, and before the hearing is complete, any party may obtain signed testimonial and records subpoenas from the assigned Board agent (typically an Administrative Law Judge or hearing officer) or designee by using the following procedures:

(1) Blank subpoena forms may be obtained at each of the Board’s offices as well as on the Board’s website. A party or party representative shall fill out the blank form and provide it to the Board agent for review and signature.

(2) When filling out a blank records subpoena, a requesting party shall specify the records requested, and shall specify a production date that complies with subsection (f) below.

(3) When submitting a records subpoena to a Board agent for signature, a party or party representative must include a declaration of materiality.

(4) The Board agent has discretion to require a requesting party to serve a consumer or employee notice if a records subpoena seeks confidential personal records of a natural person who is not a party, an agent of a party, or an employee exclusively represented by a party.

(e) Procedures for Serving Subpoenas: After obtaining a signed subpoena from a Board agent or designee, a party or party representative shall serve the subpoena by using the following procedures.

(1) Method of service: For a subpoena to be effective, it must be (a) personally served on the witness; or (b) if a subpoena is being served on a party or an agent of a party, it is permissible to serve a representative who is designated in a notice of appearance or who has signed a filing in the matter on behalf of the party, unless that representative no longer represents the party.

(2) Time of service: If a testimonial subpoena is served fewer than ten (10) days before the date on which the witness must testify, or if a records subpoena is served fewer than twenty (20) days before the records must be produced, then the person or entity subject to the subpoena may request that the subpoena be revoked or limited for insufficient notice. The Board agent shall have discretion to find that the amount of notice was sufficient under the circumstances and the subpoena is therefore effective, to declare the subpoena ineffective, or to adjust, as may be appropriate under the circumstances, the scope, timing, methods, or other details regarding the testimony or records requested.

(3) Service of the declaration of materiality: The declaration of materiality must be served together with the corresponding records subpoena.

(4) Witness fee and mileage reimbursement: A witness who is neither a party nor an agent of a party may demand, at the time of service, a witness fee of $35.00 and a mileage reimbursement of $0.20 per mile, round-trip, for travel required to testify. If such a demand is made, the requesting party must provide the requested fee and reimbursement at the time of service.

(5) Service of the consumer or employee notice: If the Board agent has required a consumer or employee notice, such notice must be served, together with a copy of the records subpoena and the declaration of materiality, on the non-party consumer or employee. Such service must be made at least ten (10) days prior to the production date.

(f) Production Schedule for Records Subpoenas

(1) The requesting party shall specify in the records subpoena the date, time, and location for production of requested items. The requested production date may be a hearing date. If the responding witness, entity, or party has at least twenty (20) days to respond following service of the records subpoena, then the requested production date

may be a non-hearing date. The requested production date may not be later than the last scheduled day of hearing, unless otherwise ordered by the Board agent.

(2) The responding person or entity shall produce the requested items as specified in the records subpoena unless agreed otherwise or the Board orders otherwise. The responding person or entity need not produce items covered by a motion to revoke or limit a subpoena filed pursuant to subsection ~~(h)~~(i), pending resolution of the motion.

(3) If a records subpoena specifies a requested production date that is not a hearing date, and requires both records production and witness testimony, then the subpoena shall be deemed to require such testimony at the next scheduled hearing date, unless agreed otherwise or the Board orders otherwise.

(g) Motion to Extend Records Production Date: If a scheduled records production date is prior to the next scheduled hearing date, the responding person or entity with good cause may file a written motion to extend the requested production date by up to an additional ten (10) days or to the date of the scheduled formal hearing, if less than ten (10) days. The motion must be filed and served at least seven (7) days before the scheduled records production date.

(h) Motion to Revoke or Limit a Testimonial Subpoena: A motion to revoke a testimonial subpoena may be filed and served on the requesting party in writing or made orally at the scheduled formal hearing. The Board agent may grant or deny the motion, limit a witness's testimony, or grant a protective order in light of the arguments presented by the parties.

(i) Motion to Revoke or Limit a Records Subpoena: A responding person or entity may file a written motion to revoke or limit a records subpoena pursuant to the following procedures:

(1) The motion must be filed and served no later than twelve (12) days following service of the subpoena. The requesting party must submit any opposition no later than six (6) days after the responding person or entity serves such a motion. There shall be no reply briefs unless the Board agent directs otherwise.

(2) In resolving any dispute regarding a records subpoena, the Board agent may exercise discretion to set prehearing conferences, other formal hearings, or otherwise order other production dates. The Board agent may revoke or limit a records subpoena to the extent items requested to be produced are not relevant to any matter under consideration in the proceeding or are protected by an applicable privilege, or the subpoena is otherwise invalid. When the Board agent resolves such a dispute at a prehearing conference and orders production of certain items covered by the motion, the Board agent shall direct the date, format, and means of producing such items. When the Board agent resolves such a dispute on or after the first day of hearing and orders production of certain items covered by the motion, all such items shall be produced within 24 hours of the Board agent's ruling. The Board agent is also empowered to resolve any objections filed by a consumer or employee resulting from a consumer or employee notice regarding subpoenaed records.

(j) Motion to Enforce Testimonial or Records Subpoena in Superior Court: The Board itself may direct the General Counsel to apply to an appropriate superior court for an order requiring compliance with a subpoena. The following procedures shall apply.

(1) A party may make a request to initiate enforcement proceedings to the Board agent assigned.

(2) At any stage in the proceeding, a Board agent may request, through the General Counsel, that the Board itself authorize the General Counsel to apply for an order of enforcement.

(3) The Board itself shall authorize the General Counsel to seek enforcement on the recommendation of the Board agent or General Counsel, unless, in the judgment of the Board itself, the enforcement of such testimonial or records subpoena would be inconsistent with the law or policies of the applicable Act.

(4) If the Board itself directs the General Counsel to seek enforcement, the evidentiary record will remain open until the Board agent determines that the court order will not be forthcoming or that further delay would frustrate the policies of the applicable Act, or until the responding party produces the testimony or records sought.

(5) At any time, the Board itself may direct the General Counsel to withdraw an enforcement action based upon voluntary compliance or otherwise as the interests of fairness may require.

(k) Inferences and Sanctions for Failure to Comply with Subpoenas: As an alternative to seeking Superior Court enforcement as set forth in subsection (j), the Board agent may draw adverse inferences from a party's failure to comply with a valid subpoena, and may prohibit such a party from presenting evidence or arguments, as the interests of fairness may require. The Board agent may not, however, draw an adverse inference against a party unless that party has been given advance notice and an opportunity to respond regarding such a potential adverse inference.

(l) Board Agent as Witness at a Hearing: The Board itself may order that a subpoenaed Board agent be produced at a formal hearing, only if that Board agent is deemed essential to the resolution of the case and no rational decision can be reached without such agent being produced.
