DECISION

JOHNSON, Member: This case is before the Public Employment Relations Board (PERB or Board) on a request by Elisa Maria Leptich (Leptich) for reconsideration of the Board's decision in American Federation of Teachers, Local 2121 (Leptich) (1994) PERB Decision No. 1074.

PERB Regulation 32410(a)¹ states, in pertinent part:

Any party to a decision of the Board itself may, because of extraordinary circumstances, file a request to reconsider the decision within 20 days following the date of service of the decision. An original and 5 copies of the request for reconsideration shall be filed with the Board itself in the headquarters office and shall state with specificity the grounds claimed and, where applicable, shall specify the page of the record relied on. Service and proof of service of the request pursuant to section 32140 are required. The grounds for requesting¹ reconsideration are limited to

claims that the decision of the Board itself contains prejudicial errors of fact, or newly-discovered evidence or law which was not previously available and could not have been discovered with the exercise of reasonable diligence.

(Emphasis added.)

The request for reconsideration fails to comply with Regulation 32410(a) because it does not state extraordinary circumstances, nor does it state with specificity the grounds claimed.

The Board has reviewed Leptich's claim of prejudicial error and finds that none exists. Leptich's appeal was properly rejected by the Board in the underlying decision.

ORDER

The request for reconsideration of American Federation of Teachers, Local 2121 (Leptich) (1994) PERB Decision No. 1074 is hereby DENIED.

Members Carlyle and Garcia joined in this Decision.
