Before Hesse, Chairperson; Shank and Cunningham, Members.

ORDER

This case is before the Public Employment Relations Board (Board) on appeal by the Inglewood Unified School District (District) from an administrative law judge's refusal to dismiss a complaint, filed by the California School Employees Association, and defer the underlying unfair practice charge to final and binding arbitration. A hearing on the unfair practice charge is scheduled to begin on April 3, 1990.

Following the issuance of the administrative law judge's ruling on its Motion to Dismiss and Defer to Binding Grievance Arbitration, the District filed a timely appeal of the decision and a request for a stay of the unfair practice charge hearing in accordance with Regulations 32646(b) and 32370.¹ However, the filings of the appeal, request for the stay and responses thereto,

¹PERB Regulations are codified at California Administrative Code, title 8, section 31001 et seq.

will not be complete and before the Board until after the date the unfair practice charge is scheduled to go to hearing. A stay of the hearing pending the outcome of this appeal is therefore appropriate in that the hearing will be unnecessary should the Board reverse the administrative law judge's ruling in Case No. LA-CE-2912.

In the interest of economy, the Board, on its own motion, ORDERS that the hearing in Inglewood Unified School District, Case No. LA-CE-2912 be STAYED pending the Board's decision on the District's appeal of the administrative law judge's denial of its Motion to Dismiss and Defer to Binding Grievance Arbitration.

Chairperson Hesse, Members Shank and Cunningham participated in this Decision.
