DECISION OF THE
PUBLIC EMPLOYMENT RELATIONS BOARD

ABDULLAH MALIK,

Charging Party,

v.

CALIFORNIA FEDERATION OF TEACHERS,

Respondent.

Case No. LA-CO-1167-E

PERB Decision No. 1662

July 16, 2004

Appearance: Abdullah Malik, on his own behalf.

Before Duncan, Chairman; Whitehead and Neima, Members.

DECISION

DUNCAN, Chairman: This case is before the Public Employment Relations Board (Board) on appeal by Abdullah Malik (Malik) of a Board agent's dismissal (attached) of his unfair practice charge. The charge alleged that the California Federation of Teachers violated the Educational Employment Relations Act (EERA)¹ by agreeing with the Compton Community College District to the reclassification of employees.

The Board has reviewed the entire record in this matter, including the original unfair practice charge, the warning and dismissal letters of the Board agent, and Malik's appeal.

The Board finds the warning and dismissal letters to be free from prejudicial error and adopts them as the decision of the Board itself, subject to the discussion below.

DISCUSSION

Malik states in one sentence that he is appealing the dismissal so he may keep pursuing his case. He has provided no facts related to the who, what, when or how of his underlying

charge. It was dismissed because he did not provide any facts as to dates, or conduct giving rise to his charge, even after the warning letter was issued.

PERB Regulation 32635(a)² requires, in relevant part, that:

The Appeal shall:

- (1) State the specific issues of procedure, fact, law or rationale to which the appeal is taken;
- (2) Identify the page or part of the dismissal to which each appeal is taken;
- (3) State the grounds for each issue stated.

None of the requirements set forth in this regulation have been met. The appeal must be denied.

ORDER

The unfair practice charge in Case No LA-CO-1167-E is hereby DISMISSED WITHOUT LEAVE TO AMEND.

Members Whitehead and Neima joined in this Decision.

Re: Abdullah Malik v. California Federation of Teachers
Unfair Practice Charge No. LA-CO-1167-E
DISMISSAL LETTER

Dear Mr. Malik:

The above-referenced unfair practice charge was filed with the Public Employment Relations Board (PERB or Board) on March 23, 2004. The Abdullah Malik alleges that the California Federation of Teachers violated the Educational Employment Relations Act (EERA)¹ by violating its duty of fair representation.

I indicated to you in my attached letter dated April 19, 2004, that the above-referenced charge did not state a prima facie case. You were advised that, if there were any factual inaccuracies or additional facts which would correct the deficiencies explained in that letter, you should amend the charge. You were further advised that, unless you amended the charge to state a prima facie case or withdrew it prior to April 26, 2004, the charge would be dismissed.

I have not received either an amended charge or a request for withdrawal. Therefore, I am dismissing the charge based on the facts and reasons contained in my April 19 letter.

Right to Appeal

Pursuant to PERB Regulations,² you may obtain a review of this dismissal of the charge by filing an appeal to the Board itself within twenty (20) calendar days after service of this dismissal. (Regulation 32635(a).) Any document filed with the Board must contain the case name and number, and the original and five (5) copies of all documents must be provided to the Board.

Re: Abdullah Malik v. California Federation of Teachers
Unfair Practice Charge No. LA-CO-1167-E
WARNING LETTER

Dear Mr. Malik:

The above-referenced unfair practice charge was filed with the Public Employment Relations Board (PERB or Board) on March 23, 2004. The Abdullah Malik alleges that the California Federation of Teachers violated the Educational Employment Relations Act (EERA)¹ by violating its duty of fair representation.

Your charge states that the union agreed with the employer to a reclassification for "certain unwanted union members". It is further alleged that this agreement deprives these employees of seniority and vacation and that the union took this action to favor employees hired through nepotism. No dates or facts are provided to support these allegations.

PERB Regulation 32615(a)(5) requires, inter alia, that an unfair practice charge include a "clear and concise statement of the facts and conduct alleged to constitute an unfair practice." Thus, the charging party's burden includes alleging the "who, what, when, where and how" of an unfair practice. (State of California (Department of Food and Agriculture) (1994) PERB Decision No. 1071-S, citing United Teachers-Los Angeles (Ragsdale) (1992) PERB Decision No. 944.) Mere legal conclusions are not sufficient to state a prima facie case. (Ibid.; Charter Oak Unified School District (1991) PERB Decision No. 873.)

Without dates of the alleged union violation it cannot be determined whether you charge is timely filed. EERA section 3541.5(a)(1) prohibits PERB from issuing a complaint with respect to "any charge based upon an alleged unfair practice occurring more than six months prior to the filing of the charge." The limitations period begins to run once the charging party knows, or should have known, of the conduct underlying the charge. (Gavilan Joint Community College District (1996) PERB Decision No. 1177.) The statute of limitations is an affirmative defense which has been raised by the respondent in this case. (Long Beach Community College District (2003) PERB Decision No. 1564.) Therefore, charging party now

¹ EERA is codified at Government Code section 3540 et seq. The text of the EERA and the Board's Regulations may be found on the Internet at www.perb.ca.gov.

bears the burden of demonstrating that the charge is timely filed. (cf. Tehachapi Unified School District (1993) PERB Decision No. 1024; State of California (Department of Insurance) (1997) PERB Decision No. 1197-S.)

Additionally, the charge does not demonstrate a violation of the duty of fair representation. As a general rule, an exclusive representative enjoys a wide range of bargaining latitude. As the United States Supreme Court stated in Ford Motor Co. v. Huffman (1953) 345 U.S. 330, 338:

Inevitably differences arise in the manner and degree to which the terms of any negotiated agreement affect individual employees and classes of employees. The mere existence of such differences does not make them invalid. The complete satisfaction of all who are represented is hardly to be expected. A wide range of reasonableness must be allowed a statutory bargaining representative in serving the unit it represents, subject always to good faith and honesty of purpose in the exercise of its discretion.

Acknowledging the need for such discretion, PERB determined that an exclusive representative is not expected or required to satisfy all members of the unit it represents. (California School Employees Association (Chacon) (1995) PERB Decision No. 1108.) Moreover, the duty of fair representation does not mean an employee organization is barred from making an agreement which may have an unfavorable effect on some members, nor is an employee organization obligated to bargain a particular item benefiting certain unit members. (Ibid.; Los Rios College Federation of Teachers (Violet) (1991) PERB Decision No. 889.) The mere fact that Charging Parties were not satisfied with the agreement is insufficient to demonstrate a prima facie violation. (Los Rios College Federation of Teachers (Violet), supra, PERB Decision No. 889.)

Without sufficient facts to support the allegation of a violation of the duty of fair representation this charge must be dismissed.

For these reasons the charge, as presently written, does not state a prima facie case. If there are any factual inaccuracies in this letter or additional facts that would correct the deficiencies explained above, please amend the charge. The amended charge should be prepared on a standard PERB unfair practice charge form, clearly labeled First Amended Charge, contain all the facts and allegations you wish to make, and be signed under penalty of perjury by the charging party. The amended charge must have the case number written on the top right hand corner of the charge form. The amended charge must be served on the respondent's representative and the original proof of service must be filed with PERB.
