v.

UPTE, CWA LOCAL 9119,

Respondent.

PERB Decision No. 1792-H

December 30, 2005

Appearances: Werner Witke, Representative, for Kathy Aldera, et al.; Leonard Carder by Margot Rosenberg, Attorney, for UPTE, CWA Local 9119.

Before Duncan, Chairman; Shek and McKeag, Members.

DECISION

DUNCAN, Chairman: This case is before the Public Employment Relations Board (PERB or Board) on appeal by Kathy Aldern, et al. (Charging Parties) of a Board agent's dismissal of their unfair practice charges. The charges are the same in a number of cases filed by Werner Witke on behalf of numerous individuals. In each case the charge is the same and the cases captioned above have been addressed together by the Office of the General Counsel and the parties. The charges allege that UPTE, CWA Local 9119 (UPTE) violated the Higher Education Employer-Employee Relations Act (HEERA).¹

Charging Parties allege that UPTE has violated HEERA by collecting agency fees prior to providing Hudson² notices to nonmembers and benefiting from an interest free loan at the expense of Charging Parties for the period between collection and refund of the challenged agency fees. Just as in UPTE, CWA Local 9119 (Abernathy) (2005) PERB Decision No. 1784-H (UPTE (Abernathy)), the parties in this case allege that this is a violation of PERB Regulation 32992³ which requires that written notice be sent/distributed to nonmembers at least 30 days prior to collection of agency fees and that fees subject to objection shall be placed in an escrow account as set forth in PERB Regulation 32995.

¹HEERA is codified at Government Code section 3560, et seq.

²Chicago Teachers Union. Local No. 1 v. Hudson (1986) 475 U.S. 292 [121 LRRM 2793] (Hudson).

³PERB regulations are codified at California Code of Regulations, title 8, section 31001, et seq.

The Board agent dismissed the unfair practice charges for lack of standing based on the Board's decision in California Nurses Association (O'Malley') (2004) PERB Decision No. 1673-H (CNA (O'Malley)).

We have reviewed the complete record in this case, including, but not limited to, the initial unfair practice charges, the warning and dismissal letters, Charging Parties' appeal and UPTE's response to the appeal. We find that CNA (O'Malley) is not applicable here as the charging party in that case is not an agency fee payer. The Charging Parties here are agency fee payers and as such have standing. The essential facts alleged must be taken as true.⁴

Following the reasons set forth in UPTE (Abernathy), this case is referred to the Office of the General Counsel for a complaint to issue. There are several cases with the same facts and they shall be consolidated by the Office of the General Counsel. These cases as currently captioned are:
