ORDER

The determination of the Los Angeles regional director that the voter list in the above-captioned case must conform to Section 32726(a) has been appealed by the district. The regional director informed the appellant that the list must include the mailing address of each eligible voter.

In Oakland Unified School District, 4/15/80, PERB Order No. Ad-84, we dismissed a similar appeal and noted that the legality of rules adopted by this Board (Title 8, Part 3, Cal. Admin. Code) are not properly litigated in this form. We also noted that the regional

director is without discretion in applying Section 32726, absent an allegation that the order violated the rule.

With reference to our Oakland decision, the regional director is summarily AFFIRMED.
