DECISION AND ORDER

CAMILLI, Member: Following the issuance of a proposed decision by an administrative law judge (ALJ) of the Public Employment Relations Board (PERB or Board), the San Francisco Unified School District (District), pursuant to Regulation 32300,[1] filed timely exceptions to the ALJ's proposed decision and order. Thereafter, the San Francisco Classroom Teachers Association, CTA/NEA (Association), pursuant to Regulation 32300, filed timely exceptions to the proposed decision and order of the ALJ, and therein also responded to the District's exceptions, pursuant to Regulation 32310.

[1]PERB Regulations are codified at California Administrative Code, title 8, section 31001 et seq.

Subsequently, the Association requested a withdrawal of its underlying unfair labor practice charge and exceptions to the proposed decision, and requested the complaint in this case be dismissed. The District is in agreement with the above request, and has requested withdrawal of its exceptions as well. The Board has considered the request for withdrawal and concurs that a withdrawal is in the best interest of the parties and is consistent with the purposes of the Educational Employment Relations Act. Accordingly, the Board grants the parties' requests to withdraw, with prejudice, the unfair practice charge and their exceptions to the proposed decision.

It is hereby ORDERED that the unfair practice charge and the complaint therein is DISMISSED WITH PREJUDICE, and the proposed decision is set aside.
