DECISION AND ORDER

San Ramon Valley Education Association, CTA/NEA (SRVEA or Association) made a motion to reopen the record for the purpose of admitting into evidence, as its exhibit, a copy of an arbitrator's opinion and award in a 1987-88 agency fee arbitration. The Association urges the Public Employment Relations Board (Board) to accept this new evidence to show that the arbitrator established, as a factual matter, the validity of

its presumption that the chargeable expenses for the California Teachers Association's (CTA) local chapters are at least as great as, if not greater than, the chargeable expenses of CTA.

The Board DENIES the Association's motion. Such evidence would be cumulative and, as SRVEA's counsel admits, Barbara C. Abbot and Yvonne M. Cameron were not parties to the 1987-88 arbitration.
