Consent to Use Electronic Signature:

By signing and submitting to PERB this declaration, you agree that your electronic signature is the legal equivalent of your handwritten signature on all documents submitted to PERB for filing. You further agree that your signature on this document (hereafter referred to as your "electronic signature") is as valid as if you signed the document in writing. You also agree that no certification authority or other third-party verification is necessary to validate your electronic signature, and that the lack of such certification or third-party verification will not in any way affect the effect or enforceability of your electronic signature. You are also confirming that you are the individual authorized to sign the document filed with PERB. For purposes of this consent, "electronic signature" means an electronic sound, symbol, or process attached to, or logically associated with, an electronic record and executed or adopted by a person with the intent to sign the electronic record. You further understand that you may withdraw your consent at any time.
