32110. Electronic Filing Requirements.

(a) Except as otherwise provided by this Chapter, electronic filing is mandatory when filing documents with PERB. For the initial filing of a case, the filing party shall serve all parties pursuant to Section 32140, subdivision (a), and electronically file with PERB the initial filing and a proof of service. After the initial filing of a case, service of documents shall occur automatically through e-PERB, except for unrepresented individuals not utilizing e-PERB, in which case the filing party must serve the documents by personal delivery, mail, or with another delivery service properly addressed. Electronic filing is not required when submitting documents at formal hearing.

(b) Electronic filing is available but not mandatory for an unrepresented individual. For purposes of this subsection, the term “unrepresented individual” shall mean an individual natural person not represented by an attorney or a union representative. However, an unrepresented individual that files electronically shall be required to electronically file all subsequent documents, and to accept electronic service, unless she or he provides written notice to all parties that future filings shall occur through a different authorized means.

(c) A party filing a document through e-PERB may use an electronic signature as defined in section 32092. However, a party submitting proof of support under section 32700 of these regulations, either through e-PERB or otherwise, may rely on electronic signatures only to the extent permitted under section 32700.

(d) Documents electronically filed shall be in PDF format and text searchable. However, a party lacking the capacity to make a PDF file text searchable shall file the document in a non-text searchable PDF format, and shall telephonically notify the Board that it has done so. Unless documents are compressed (in a zip file format), the maximum size of any single document that

can be electronically filed is 25 MB. For documents larger than 25 MB, the filer shall separate them into multiple parts so that each part is no larger than 25 MB.

(e) Each document shall be filed individually. Attachments and exhibits are part of the document to which they are associated. Where a document exceeds the size limit specified under subsection (d), the document must be split into parts and each filed individually. When a document is filed in multiple parts, each part must be identified as part of the document, e.g., unfair practice charge part 1, unfair practice charge part 2, etc.

(f) Filers may electronically file a document through e-PERB at any time. However, all documents electronically filed after 11:59 p.m. on a business day, or at any time on a non-business day, will be deemed filed the next regular PERB business day. This section shall not apply to requests for injunctive relief whose filing requirements are governed by sections 32450 and 32455.

32150. Subpoenas.

(a) Definitions

(1) “Testimonial subpoena” means a subpoena that solely requires a witness to appear at a Board hearing.

(2) “Records subpoena” means a subpoena that requires production of documents, electronically stored information, video records, audio records, or other records or things, either at a Board hearing or at a time and location in advance of such a hearing. A records subpoena may also require a witness to appear at a Board hearing to testify.

(3) “Declaration of materiality” means a declaration signed under penalty of perjury, submitted by the requesting party or that party's representative, which:

(A) Describes the requested items; and

(B) Explains why the requested items are relevant to the issues involved in the case.

(4) “Consumer or employee notice” means a notice provided to a non-party consumer or employee as set forth in Code of Civil Procedure sections 1985.3 and 1985.6.

(b) Geographic Coverage of Subpoenas: Testimonial and records subpoenas issued shall extend to all parts of the State of California.

(c) Requests to Shorten or Lengthen Timelines: A Board agent has discretion to alter the timelines under subsections (d), (e), (f), (g) and (i).

(d) Procedures for Obtaining Subpoenas: After the Board notifies the parties that an evidentiary hearing has been scheduled, and before the hearing is complete, any party may obtain signed testimonial and records subpoenas from the assigned Board agent (typically an Administrative Law Judge or hearing officer) or designee by using the following procedures:

(1) Blank subpoenas may be obtained at each of the Board's offices as well as on the Board's website. A party or party representative shall fill out the blank subpoena and provide it to the Board agent for review and signature.

(2) When filling out a blank records subpoena, a requesting party shall specify the records requested, and shall specify a production date that complies with subsection (f) below.

(3) When submitting a records subpoena to a Board agent for signature, a party or party representative must include a declaration of materiality.

(4) The Board agent has discretion to require a requesting party to serve a consumer or employee notice if a records subpoena seeks confidential personal records of a natural person who is not a party, an agent of a party, or an employee exclusively represented by a party.

(e) Procedures for Serving Subpoenas: After obtaining a signed subpoena from a Board agent or designee, a party or party representative shall serve the subpoena by using the following procedures.

(1) Method of service: For a subpoena to be effective, it must be (a) personally served on the witness; or (b) if a subpoena is being served on a party or an agent of a party, it is permissible to serve a representative who is designated in a notice of appearance or who has signed a filing in the matter on behalf of the party, unless that representative no longer represents the party.

(2) Time of service: If a testimonial subpoena is served fewer than ten (10) days before the date on which the witness must testify, or if a records subpoena is served fewer than twenty (20) days before the records must be produced, then the person or entity subject to the subpoena may request that the subpoena be revoked or limited for insufficient notice. The Board agent shall have discretion to find that the amount of notice was sufficient under the circumstances and the subpoena is therefore effective, to declare the subpoena

ineffective, or to adjust, as may be appropriate under the circumstances, the scope, timing, methods, or other details regarding the testimony or records requested.

(3) Service of the declaration of materiality: The declaration of materiality must be served together with the corresponding records subpoena.

(4) Witness fee and mileage reimbursement: A witness who is neither a party nor an agent of a party may demand, at the time of service, a witness fee of \$35.00 and a mileage reimbursement of \$0.20 per mile, round-trip, for travel required to testify. If such a demand is made, the requesting party must provide the requested fee and reimbursement at the time of service.

(5) Service of the consumer or employee notice: If the Board agent has required a consumer or employee notice, such notice must be served, together with a copy of the records subpoena and the declaration of materiality, on the non-party consumer or employee. Such service must be made at least ten (10) days prior to the production date.

(f) Production Schedule for Records Subpoenas

(1) The requesting party shall specify in the records subpoena the date, time, and location for production of requested items. The requested production date may be a hearing date. If the responding witness, entity, or party has at least twenty (20) days to respond following service of the records subpoena, then the requested production date may be a non-hearing date. The requested production date may not be later than the last scheduled day of hearing, unless otherwise ordered by the Board agent.

(2) The responding person or entity shall produce the requested items as specified in the records subpoena unless agreed otherwise or the Board orders otherwise. The responding person or entity need not produce items covered by a motion to revoke or limit a subpoena filed pursuant to subsection (h), pending resolution of the motion.

(3) If a records subpoena specifies a requested production date that is not a hearing date, and requires both records production and witness testimony, then the subpoena shall be deemed to require such testimony at the next scheduled hearing date, unless agreed otherwise or the Board orders otherwise.

(g) Motion to Extend Records Production Date: If a scheduled records production date is prior to the next scheduled hearing date, the responding person or entity with good cause may file a written motion to extend the requested production date by up to an additional ten (10) days or to the date of the scheduled formal hearing, if less than ten (10) days. The motion must be filed and served at least seven (7) days before the scheduled records production date.

(h) Motion to Revoke or Limit a Testimonial Subpoena: A motion to revoke a testimonial subpoena may be filed and served on the requesting party in writing or made orally at the scheduled formal hearing. The Board agent may grant or deny the motion, limit a witness's testimony, or grant a protective order in light of the arguments presented by the parties.

(i) Motion to Revoke or Limit a Records Subpoena: A responding person or entity may file a written motion to revoke or limit a records subpoena pursuant to the following procedures:

(1) The motion must be filed and served no later than twelve (12) days following service of the subpoena. The requesting party must submit any opposition no later than six (6) days after the responding person or entity serves such a motion. There shall be no reply briefs unless the Board agent directs otherwise.

(2) In resolving any dispute regarding a records subpoena, the Board agent may exercise discretion to set prehearing conferences, other formal hearings, or otherwise order other production dates. The Board agent may revoke or limit a records subpoena to the extent items requested to be produced are not relevant to any matter under consideration in the proceeding or are protected by an applicable privilege, or the subpoena is otherwise invalid. When the Board agent resolves such a dispute at a prehearing conference and orders production of certain items covered by the motion, the Board agent shall direct the date, format, and means of producing such items. When the Board agent resolves such a dispute on or after the first day of hearing and orders production of certain items covered by the motion, all such items shall be produced within 24 hours of the Board agent's ruling. The Board agent is also empowered to resolve any objections filed by a consumer or employee resulting from a consumer or employee notice regarding subpoenaed records.

(j) Motion to Enforce Testimonial or Records Subpoena in Superior Court: The Board itself may direct the General Counsel to apply to an appropriate superior court for an order requiring compliance with a subpoena. The following procedures shall apply.

(1) A party may make a request to initiate enforcement proceedings to the Board agent assigned.

(2) At any stage in the proceeding, a Board agent may request, through the General Counsel, that the Board itself authorize the General Counsel to apply for an order of enforcement.

(3) The Board itself shall authorize the General Counsel to seek enforcement on the recommendation of the Board agent or General Counsel, unless, in the judgment of the Board itself, the enforcement of such testimonial or records subpoena would be inconsistent with the law or policies of the applicable Act.

(4) If the Board itself directs the General Counsel to seek enforcement, the evidentiary record will remain open until the Board agent determines that the court order will not be forthcoming or that further delay would frustrate the policies of the applicable Act, or until the responding party produces the testimony or records sought.

(5) At any time, the Board itself may direct the General Counsel to withdraw an enforcement action based upon voluntary compliance or otherwise as the interests of fairness may require.

(k) Inferences and Sanctions for Failure to Comply with Subpoenas: As an alternative to seeking Superior Court enforcement as set forth in subsection (j), the Board agent may draw adverse inferences from a party's failure to comply with a valid subpoena, and may prohibit such a party from presenting evidence or arguments, as the interests of fairness may require. The Board agent may not, however, draw an adverse inference against a party unless that party has been given advance notice and an opportunity to respond regarding such a potential adverse inference.

(l) Board Agent as Witness at a Hearing: The Board itself may order that a subpoenaed Board agent be produced at a formal hearing, only if that Board agent is deemed essential to the resolution of the case and no rational decision can be reached without such agent being produced.

72045. Petition for Unit Clarification.

(a) A petition for clarification of an existing bargaining unit may be initiated by an exclusive representative or a PUC transit employer when there is a certified or currently recognized bargaining unit representative:

- (1) To add to the unit unrepresented classifications or positions;
- (2) To delete classifications or positions which by virtue of a change in circumstances or are otherwise prohibited by statute from inclusion in the unit;
- (3) To make technical changes to clarify or update the unit description;
- (4) To resolve a dispute as to unit placement or designation of a new classification or position.

(b) The petition shall be signed or electronically signed by an authorized agent of the petitioner, and include the following information:

- (3) If applicable, a description of the contract(s), if any, covering the employees in such unit and the expiration date of such contract(s);
- (4) A description of the existing unit, including the classifications and positions included and excluded and the approximate number of employees in the existing unit;

- (6) The number of employees in the unit as proposed under the clarification;

- (8) A statement by petitioner setting forth reasons why petitioner desires clarification of the unit.

(c) If the petition requests the addition of classifications or positions to an established unit, SMCS shall base its decision on the criteria set forth in Article 10 of this Subchapter. Normally, no proof of support shall be required. However, if SMCS finds the criteria set forth in Article 10 of this Subchapter favor adding classifications or positions to an existing unit, and the number of employees to be added is so numerous that it would likely disrupt the incumbent's majority support within the bargaining unit, then SMCS shall determine whether to require proof of support of a majority of the employees to be added or hold an election upon a showing of proof of support of at least 30 percent of the persons to be added.

~~(1) The petitioner held a contract covering employees in a utility or facility at the time of its acquisition by the district;~~

~~(2) And the district assumed such collective bargaining agreement pursuant to the provisions of any contract of acquisition or the terms of the act;~~

~~(3) And the proposed unit is identical with the unit established in such collective bargaining agreement.~~

~~(c) In the event a petition seeks to add a group of employees not covered by an existing SMCS certification, it shall be necessary to submit authorization or membership applications only for that portion of the proposed unit attributable to such accretion.~~

~~Section 93025. Investigation of Petition by Service.~~

~~(a) After a petition has been filed under Section 93005(a) or (b), if no agreement for a consent election is entered into and if it appears to SMCS that there is reasonable cause to believe that a question of representation exists, that the policies of the act will be effectuated, and that an election will reflect the free choice of the employees in the appropriate unit, the Director shall serve upon the petitioner, the district, any known individuals or labor organizations purporting to act as the representative of any employees directly affected by such investigation and any other parties a notice of hearing before a hearing officer at a time and place fixed therein, which notice shall be given at least 10 days in advance of the date specified for the hearing. Any such notice of hearing may be amended or withdrawn by the Director at any time prior to the commencement of the hearing and by the hearing officer after commencement and prior to the close of the hearing. When more than one petition has been filed involving all or part of the same group of employees, or otherwise raising common issues, SMCS may, on the motion of any of the parties, or on its own motion, order that said petitions be consolidated for the purpose of hearing and decision.~~

~~(b) After a petition has been filed under Section 93005(e), the Director shall conduct an investigation and, as appropriate, may issue a decision without a hearing; or prepare and serve on the petitioner, the district, any known individuals or labor organizations purporting to act as representatives of any employees directly affected by such an investigation and any other parties, a notice of hearing before a hearing officer at a time and place fixed or take other appropriate action. Any such notice of hearing may be amended or withdrawn by the Director at any time prior to the commencement of the hearing and by the hearing officer after commencement and prior to the close of the hearing.~~

~~(c) If after investigation of the petition it appears to the Director that there is no reasonable cause to believe that there exists a question whether a labor organization represents a majority of~~

employees of the district in an appropriate unit, or if the Director determines that the petition has not been filed in accordance with these regulations, the Director shall have the power to dismiss the petition without a hearing or approve the withdrawal of the petition.

~~(d) Any determination made by the Director pursuant to this Section may be appealed to the Board itself in accordance with Sections 32350 through 32380 or, if applicable, in accordance with and subject to the limitations provided in Section 32200.~~

~~(a) Hearings shall be conducted by a hearing officer appointed by the Director and shall be open to the public unless otherwise ordered by the hearing officer. It shall be the duty of the hearing officer to inquire fully into all matters in issue and necessary to obtain a full and complete record upon which SMCS, the Director, the hearing officer, or the Board may discharge their duties under the Laws described in Section 93000. A hearing officer may be substituted by the Director at any time.~~

~~(b) The hearing officer may, in his or her discretion, continue the hearing from day to day, or adjourn it to a later date or to a different place, by announcement thereof at a hearing or by other appropriate notice.~~

~~(c) All motions, including motions for intervention pursuant to Section 93035 below, shall be in writing, or if made at the hearing may be stated orally on the record, and shall briefly state the action or relief sought and the grounds for such motion. motions shall be filed with the hearing officer, and a copy thereof shall immediately be served by the moving party upon each of the other parties to the proceeding. The hearing officer may by order in writing or on the record permit intervention to such extent and upon such terms as may be deemed proper, and such intervener shall thereupon become a party to the proceeding; provided, however, that (1) no labor organization which is a party to a contract covering employees in the alleged appropriate unit shall be denied the right to intervene as a party in such proceeding, and (2) no labor organization which makes a showing of proved authorizations or membership of at least 10 percent of the employees in the unit claimed to be appropriate by the petitioner shall be denied the right to intervene as a party in such proceedings. Any labor organization desiring to intervene for the purpose of seeking an election in a unit different from that claimed to be appropriate by the petitioner shall be required to make a showing of proved authorizations or membership of at least 30 percent of the employees in the unit claimed to be appropriate by the organization seeking intervention. Any person served with a subpoena, whether ad testificandum or duces tecum, who does not intend to comply therewith shall within five days after the date of service file with the hearing officer a petition to revoke the subpoena. Notice of the filing of a petition to revoke shall be promptly given by the hearing officer to the party at whose request the subpoena was issued. The hearing officer shall revoke a subpoena if in his or her opinion the evidence sought does not relate to any matter under investigation or in question in the proceedings, is not relevant, or the subpoena does not describe with sufficient particularity the evidence requested, or if for any other reason the subpoena is otherwise invalid. The hearing officer shall make a statement in writing or on the record of the procedural or other grounds for this ruling. Filing with reference to the revocation of a subpoena shall not become part of the record except upon the request of the party aggrieved by the ruling on the petition. Persons compelled to produce written evidence are entitled to retain the same, but the party compelling its production may pay the cost of procuring a copy thereof to be submitted in evidence in lieu of the original.~~

~~Section 93070. Election Procedures.~~

~~(a) All elections shall be conducted by SMCS and shall be by secret ballot. Whenever two or more labor organizations are included as choices in an election, any participant, upon its prompt request to and approval thereof by the Director, whose decision shall be final, may have its name removed from the ballot. Provided, however, that in a proceeding involving a district filed petition or a petition for decertification, the labor organization certified, currently recognized or found to be seeking recognition may not have its name removed from the ballot without timely notice in writing to all parties and to SMCS disclaiming any representation interest among the employees in the unit.~~

~~Any party may be represented by observers of its own selection, subject to such limitations as SMCS may prescribe. Any party and any agent or representative of SMCS may challenge for good cause the eligibility of any person to vote in the election. Each challenged ballot shall be impounded. Upon the conclusion of the election SMCS shall issue a tally of the ballots to each party. Within five days thereafter any party may file with SMCS two copies of objections to the conduct of the election or conduct affecting the results of the election, which shall contain a short statement of the reasons for the objections. The objecting party shall immediately serve a copy of such objections upon each other party and file with SMCS proof of service and shall, upon request, promptly furnish evidence to support the objections.~~

~~(b) If (1) no objections are filed within the time specified in subsection (a) above, and (2) any challenged ballots are insufficient in number to affect the results of the election, and (3) no runoff election is to be held pursuant to Section 93075 below, SMCS shall forthwith issue to the~~

parties a certification of the results of the election, including certification of representatives where appropriate; and the case will be closed.

(c) If objections are filed to the conduct of the election or conduct affecting the results of the election, or if the challenged ballots are sufficient in number to affect the results of the election, the Director shall investigate such objections or challenges, or both, and shall prepare and serve upon the parties a report on such objections or challenged ballots, or both. Within 10 days from the date of issuance of the report on such objections or challenged ballots, or within such additional period as the Director may allow upon written application for extension made within such 10-day period, any party may file with the Director an original of exceptions to such report. Concurrently upon the filing of such exceptions, the filing party shall serve a copy upon each of the other parties, and proof thereof shall be promptly filed with the Director. If no exceptions are filed to such report within the time permitted, the Director may issue a written decision in conformity with such report, as to the validity of such objections or challenges or may make other disposition of the case based on an administrative investigation or in the exercise of reasonable discretion, and SMCS shall thereupon promptly act to close the case in accordance with such decision.

(d) If exceptions are filed, either to the report on challenged ballots or objections, or both if it is a consolidated report, the Director shall appoint a hearing officer to examine the exceptions and make recommendations. If it appears to the hearing officer that such exceptions do not raise substantial and material factual issues with respect to the conduct of the election or conduct affecting the results of the elections, the hearing officer may make written recommendations to the Director forthwith, and shall concurrently serve copies of said recommendations upon the parties. Within 10 days from the date of issuance of the aforesaid recommendations, or within such additional period as the Director may allow upon written application for extension made within the 10-day period, any party may file with the Board itself exceptions to the hearing officer's recommendations, in accordance with the provisions of Section 93065. Concurrently upon the filing of such exceptions, the filing party shall serve a copy upon each of the other parties and proof thereof shall be promptly filed with the Board.

(e) If it appears to the hearing officer that any exceptions filed to the report of the Director on challenged ballots or objections raise substantial and material factual issues, the hearing officer shall cause to be served upon the parties a notice of hearing on said exceptions, which notice shall be given at least 10 days in advance of the date specified for the hearing. The hearing shall be conducted by the hearing officer in accordance with the provisions of Sections 93030, 93040, 93045, and 93050 insofar as applicable. Upon the close of the hearing, the hearing officer shall prepare and deliver to the Director a proposed decision resolving questions of credibility and containing findings of fact and recommendations as to the disposition of the challenges or objections, or both if it be a consolidated matter. Said decision, together with (1) the notice of hearing, (2) motions, (3) rulings, (4) orders, (5) transcript of the hearing, (6) stipulations, (7) exceptions, (8) documentary evidence and briefs, (9) objections to the conduct of the election or conduct affecting the results of the election, (10) the report of Director on such objections, (11) the report of Director on challenged ballots, (12) exceptions to the report of the Director on objections or to the report on challenged ballots, and (13) the record previously made, shall constitute the record in the case. A copy of the hearing officer's proposed decision shall

~~immediately be served upon each of the parties, where upon any of the parties may file exceptions to said report within the same time limitations and requirements as to service, and proof thereof, as are provided for in the case of exceptions filed under subsection (d) of this section.~~

~~(f) After the period for the filing of exceptions under subsection (d) or (e) has expired the Board shall issue a written decision and serve copies upon the parties. If the hearing officer has issued recommendations under subsection (d), finding that the exceptions to the report of the Director do not raise substantial and material factual issues, and exceptions to such recommendations have been filed, and after consideration of such exceptions the Board decides that the exceptions to the report of the Director do raise substantial and material factual issues, the Board shall direct the hearing officer to issue a notice of hearing, whereupon the procedures for a hearing and the issuance of the hearing officer's report provided for in subsection (e) of this section (including the provision for filing exceptions to the hearing officer's report) shall be followed. The Board may adopt the recommendations of the hearing officer issued under subsection (d) or the proposed decision of the hearing officer issued under subsection (e) as its own. SMCS shall thereafter promptly proceed to take such action as may be called for by the decision of the Board, after which the case will be closed.~~

In the event two or more choices receive the same number of ballots, and if either (1) there are no challenged ballots which would affect the results of the election, or (2) after all challenges have been disposed of it is found that all eligible voters have cast valid ballots, there shall be no runoff election and the petition shall be dismissed. Only one such further election pursuant to this subsection (d) may be held.~~
